## DANCING TOGETHER

### A Child and Parent/Caregiver Creative Movement Class

Session 1 | January 30 – March 23

Session 2 | April 10 – June 1

This workshop is designed for children (ages 2-4) and their parent/caregiver who are interested in a shared movement experience that engages the senses of curiosity and play. Both child and caregiver will participate in developmentally appropriate movement exercises that incorporate elements such as effort, shape, and tempo. Music will play an essential role in the class as students will be asked to respond to sounds as well as make sounds themselves. Participants will be encouraged to join at their own comfort level with the understanding that observation is often the best form of learning with younger children. This class will give children and caregivers the opportunity to learn more about themselves and one another through the art form of dance.

Tuition: \$112.00 per eight-week session
