Session 2 | October 23 - December 4 *No class November 27

This workshop is designed for children ages 2-4 and their parent/caregiver who are interested in a shared movement experience that engages the senses of curiosity and play. Both child and caregiver will participate in developmentally appropriate movement exercises that incorporate elements such as effort, shape, and tempo. Music will play an essential role in the class as students will be asked to respond to sounds as well as make sounds themselves.
