

CHILDREN & TEEN PROGRAM
2022-2023 SCHOOL YEAR
DAILY CLASS SCHEDULES

TU Dance’s Children & Teen Program is designed for students with little to no prior dance experience. The program introduces the joy of creative movement and beginning technique in a range of disciplines, providing a comprehensive base on which to expand. Classes, divided by age, support a student's development of body awareness, coordination, balance, flexibility, strength, and musicality. The Children & Teen Program can both guide students progressively through the age specific classes with the possibility of joining TU Dance’s Pre-Professional Program while simultaneously offering multiple entry points for new students to experience the artform of dance for the very first time.
